

Chiros Care Foundation is once again hosting Casino Strathroyale on April 27th, 2019. This year will be our 8th Annual event and as we begin planning and preparations, we know you will want to be involved.

The 2017 event was a huge success with a sold out crowd of over 850 people and raised an astounding \$83,000.00!

This fundraiser focuses on assisting local people (your friend, your neighbour, your co-worker) with their battle against cancer. Raising money is an essential part of helping those people. In addition, raising cancer awareness is just as important. Past events have been a roller coaster of emotions, for everyone involved, and it is part of what makes this so special.

This event relies on the community for its success. Strathroy, local area businesses and residents continue to amaze with their support of this event - through volunteering, sponsorship, donations and attendance. It is what makes this community so wonderful! Please let us know how you would like to help Strathroy-Caradoc families with their fight against cancer.

Thanking you in advance for your support,
Chiros Care Foundation
8 Front St. E. Strathroy
519-205-0329
